# The Alaskan Malamute

by Barbara A. Brooks and Sherry E. Wallis

Every Malamute fancier will cherish this book the day it arrives, and refer to it as a "bible" for years to come! Covers the breed at work, in the ring, and the most accurate history of the Alaskan Malamute published to date. The authors trace pedigrees back to the original foundation stock, discuss differences in bloodlines, the future of the breed, analyze the breed Standard, and go into color genetics, inherited diseases and problems, and much more.

The authors, both AKC licensed judges as well as breeders, provide "inside" information only a breeder/exhibitor would know. Contents include:

### PART I. LIFE WITH AN ALASKAN MALAMUTE

- |                           |                          |
|---------------------------|--------------------------|
| Meet the Alaskan Malamute | Caring for Your Malamute |
| Training Your Mal         | The Well-Mannered Mal    |
| The Working Mal           | Grooming                 |
| The Breed Standard        | The Show Dog             |

### PART II. THE MALAMUTE THROUGH HISTORY

- |                            |                              |
|----------------------------|------------------------------|
| Origins                    | The Mal Moves Outside Alaska |
| The Chinook Dogs           | The Modern Malamute          |
| Malamutes Around the World | Malamutes Go to Hollywood    |

### PART III. THE FUTURE OF THE BREED

- |                                 |                                 |
|---------------------------------|---------------------------------|
| Breeding Your Malamute          | Making Genetics Work for You    |
| Inherited & Congenital Problems | Raising the Malamute Puppy      |
| Teenager to Adult               | Wolf Hybrids                    |
| Malamute Rescue                 | AMCA National Specialty Winners |
| Bibliography                    | Other Sources of Information    |
